### Gather 'n Gab

### PRESBYTERIAN WOMEN

Turbulent, chaotic and changing are words that might be used to describe our culture today. Those who thrive well through change are resilient. Where do we find ourselves in these tempestuous times? To find answers, our women just completed a study on resilience and joy through stories and women in the Bible.

### Be Watching . . . .

The governing body of our denomination, **GENERAL ASSEMBLY**, is "assembling" on June 22 and will be meeting until July 2. One of the major issues will be the mission program of PCUSA which was curtailed this last year after being the oldest protestant mission program - since the 1800's. All missionary personnel were terminated. Of interest will be the presentation by Karla Koll regarding this issue.

## SUNDAY WORSHIP MOVES TO FELLOWSHIP HALL

Beginning on June 7, the Sunday worship service will move to fellowship hall. We will meet around the tables and enjoy fellowship, along with coffee and donuts. This will provide a more intimate setting for worship as well as a time to get better acquainted. Please spread this word to your friends and fellow church members.
