Presbyterian Women

How do we find our resilience and joy in the midst of stressful life circumstances?

By reconnecting to our spirituality, following women in the Bible, and studying Jesus' witness, we can discover a path that helps us fully embrace and discover who we are as faithful disciples. The title of this years' study is *Finding Resilience, Joy and Our Identity in Jesus Christ* by Rhashell Hunter.

Join our Presbyterian Women as we rediscover our resilience, joy and identity found in Christ through the 2025-26 PW/Horizons Bible study. Our first monthly gathering will be Tuesday, September 9 in the Parlor. *Mark your calendar!*

WHAT CAN I DO?

I am often asked, "*What can I do to make a difference in our church?*"

The following is not an exhaustive list, but it is a start.

1. Attend worship as often as possible. We bless God and encourage one another when we meet.
2. Support the church financially and share your energy and time helping with any number of big and little projects.
3. Invest in one another. We are experiencing an epidemic of loneliness in our nation. Call someone you have missed during the week, sit with someone who is alone in worship, invite a guest to lunch, send a text.
4. Pray for our church and its leaders. Pray for sensitivity to God's leadership as we look toward the future.
5. Give thanks and pray for one another.
